DETAILED ACTION

Allowable Subject Matter

Claims 1-30 are allowed.

The following is an examiner's statement of reasons for allowance: Regarding claims 1, 23, and 26 the examiner agrees with the applicant arguments set forth on February 21, 2006 that no where in the prior art is found a light fixture having a body having a sidewall, the sidewall having an interior and exterior surface, a plurality of fin-engaging elements removably engaged with at least one of the fin removably engaged in one of the fins-elements extending outward from the exterior surface.

Claims 2-22, 24-25 and 27-30 are allowed because of its dependency upon claims 1, 23 and 26 respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John A. Ward whose telephone number is 571-272-2386. The examiner can normally be reached on Monday - Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sandra O'Shea can be reached on 571-272-2378. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
